

BOARD OF SUPERVISORS MINUTES

DECEMBER 6, 2022

At a Worksession of the Orange County Board of Supervisors held on Tuesday, December 6, 2022, beginning at 4:00 p.m., in the Meeting Room of the Public Safety Building, 11282 Government Center Drive, Orange, Virginia. Present: R. Mark Johnson, Chairman; James P. Crozier, Vice Chairman; James K. White; Keith F. Marshall; and Lee H. Frame. Also present: Theodore L. Voorhees, County Administrator; Kelley Kemp, Assistant County Attorney; and Alyson A. Simpson, Chief Deputy Clerk.

RE: SPACE NEEDS ASSESSMENT

Stephanie Straub, Assistant County Administrator for Operations, and Ryan Dewyea, Public Works Director, presented a PowerPoint Presentation, which included information on the following: an overview of the Space Study completed by Wiley|Wilson; findings related to the Gordon Building; findings related to the Sedwick Building; findings related to the Courthouse; findings related to the Development Services (Grymes) Building; and recommendations and suggestions for next steps, including renovations, relocations, and reconfigurations.

Discussion ensued among the Board regarding: whether other components (HVAC, security, etc.) were considered, beyond just space needs; clarification on the lack of security features at the Gordon Building; the requested space needs for the Main Library; ensuring duct work was properly aligned with any space reconfigurations; security needs at the Sedwick Building; the potential to bill for and recoup costs for the space occupied by Social Services; expanding the use of the keyless badging technology; the location of funds previously approved for renovating the Development Services (Grymes) Building; the leased space with the Environmental Health Department; plans for the back-up Emergency Communications Center at the Gordon Building; relocation of the Workforce Center from the Belleview Building; and establishing an order for completing the suggested next steps.

By consensus, the Board agreed for staff to move forward with the suggested next steps, including renovations, relocations, and reconfigurations, as discussed.

RE: PARKS AND RECREATION ROAD MAP

Stephanie Straub, Assistant County Administrator for Operations, and Tim Moubray, Parks and Recreation Director, presented a PowerPoint Presentation, which included information on the following: an overview of the Parks Feasibility Analysis completed by Timmons Group; the Recreation Center and Field House project; the Mountain Track Park project; the Skate Park project; the Unionville Park project; the two Locust Grove area parks; the Skydog Orange Dog Park project; and recommendations and suggestions for next steps, including design work, installation and implementation, and capital planning.

Discussion ensued among the Board regarding: the location and staffing of the Skate Park; the discussions that had occurred with the Town related to the Skate Park; refining the estimated cost for the Dog Park; delaying portions of the Unionville Park project; and how the Wilderness Crossing park donation would potentially fit into the overall recreation plan.

By consensus, the Board agreed for staff to move forward with the suggested next steps, including design work, installation and implementation of project components, and capital planning, as discussed.

RE: ADJOURN

There being no further business to discuss, the Board concluded its Worksession and continued to its Regular Meeting at 4:49 p.m.

R. Mark Johnson, Chairman
